Second Announcement Brochure

About the College

ISF College of Pharmacy, Moga, is the Premier Pharmacy College in India that was established in 1984. The college is running various Pharmacy Programs such as D. Pharm., B.Pharm., M. Pharm. (in 9 branches), Pharm. D., Pharm.D (PB) and PhD in Pharmaceutical Sciences. All programs are approved by the Govt. of Punjab & PCI, Affiliated to IKGPTU, Jalandhar. The College is a NAAC-accredited Autonomous College with 'A' grade. The College has state-of-the-art infrastructure, 39 well-equipped laboratories and a well-qualified and experienced faculty pool from 14 states. In 2025, the college received 25th Rank in NIRF. The college signed MoUs with Industries, Research institutes, Hospitals, and Labs for Training, Placement, Product Development, Exchange Programs, Consultancy Research, etc. The college focused on outcome-based student-centric methods of teaching-learning, student performance and learning outcomes. College is running ISF Analytical Lab (ISFAL) approved by Govt. of India and CCSEA approved animal house with breeding and trading facilities.

RECOGNITION & AWARDS

- NAAC Accredited “A” Grade College
- Recognized by the UGC - under Section 2(f)
- NIRF-2025 ranked 25th in Pharmacy category in India
- ARIIA-2021: Band Excellent in India
- AICTE - CII: Platinum Category (consecutively for the last 06 years)
- Awarded as the "Best Pharmacy College in Punjab" by PTU, Jalandhar
- ISO 9001:2015 certification for providing Teaching and Research in Pharmacy
- Ranked 10th in Pharmacy by Career 360 Magazine.
- Awarded the “Most Innovative Pharmacy College in India” by SPER in 2019
- Awarded the “ Best Pharmacy Institute of the Year” by SPER in 2022

About the Conference

The 22nd International Cyclodextrin Symposium (ICS-22), themed "Transforming Cyclodextrin Research with Emerging AI-Enabled Technologies, Modeling and QbD: Bridging Innovation & Collaboration for Next-Gen Healthcare", is a premier global event dedicated to advancing Cyclodextrin applications in Pharmaceutical Sciences and Allied fields. Hosted by ISF College of Pharmacy, Moga, Punjab, India, ICS-22 aims to unite Researchers, Academicians, Industry Professionals, and Students worldwide to foster collaboration and share innovative advancements.

Cyclodextrins, known for their versatility in forming inclusion complexes, enhancing drug solubility, and targeted delivery, have evolved from excipients to vital tools in pharmaceuticals, nanotechnology, food sciences, and environmental applications. ICS-22 highlights the integration of cyclodextrins with cutting-edge technologies, artificial intelligence, and sustainable practices to address modern healthcare challenges.

The symposium features a comprehensive program covering topics like cyclodextrin-based drug delivery, nanotechnology, post-COVID-19 interventions, and AI applications in pharmaceutical research. Participants can present research across 12 categories, ranging from pharmacology and drug discovery to quality assurance and biotechnology, ensuring a multidisciplinary focus. Keynote speeches, plenary lectures, and networking sessions will provide insights into the latest trends and foster global partnerships.

ISF College of Pharmacy, a leading institution in pharmaceutical education and research, ICS-22 emphasizes sustainability and innovation. This landmark event invites global experts and young researchers to explore cyclodextrins' transformative role in advancing healthcare, promoting eco-conscious practices, and shaping the future of pharmaceutical sciences and healthcare. Join us in Moga to drive impactful change in global healthcare.

Local Organizing Committee

CHIEF PATRON

Prof. (Dr.) Susheel Mittal

Hon'ble Vice Chancellor, IKGPTU Jalandhar, Punjab, India

PATRON

Shri Parveen Garg

Chairman, ISFCP, Moga, Punjab, India

CO-PATRON

Er. Janesh Garg

Secretary, ISFCP & Chairman, TLF-A Global School, Moga, Punjab, India

CONVENER

Prof. (Dr.) G. D. Gupta

Director-cum-Principal, ISFCP, Moga, Punjab, India

FINANCE SECRETARY

Prof. (Dr.) R. K. Narang

Principal, ISFCPR, Moga, Punjab, India

ORGANIZING SECRETARY

Prof. (Dr.) Sidharth Mehan

IQAC-Coordinator, ISFCP, Moga, Punjab, India

Scientific Program

ICS-22: Advancing Cyclodextrin Research with Innovation, AI, and Sustainability for Next-Generation Healthcare

The 22nd International Cyclodextrin Symposium (ICS-22) offers a dynamic scientific program centered on transformative advancements in Cyclodextrin Research and its applications in Biomedical and Pharmaceutical Sciences. Under the theme, "Transforming Cyclodextrin Research with Emerging AI-Enabled Technologies, Modeling, and QbD: Bridging Innovation & Collaboration for Next-Gen Healthcare", the symposium highlights innovation, sustainability, and collaboration. Key topics include Cyclodextrin-based drug delivery, AI-driven solutions in biomedical research, nanotechnology, and regulatory and educational developments.

The program features plenary lectures by visionary experts, showcasing groundbreaking research and innovative technologies shaping the future of pharmaceutical and life sciences. Oral presentations offer a platform for participants to share cutting-edge advancements across 12 multidisciplinary categories, while poster presentations encourage dynamic idea exchange in a visual format. Hands-on workshops provide practical insights into advanced techniques and foster collaboration among professionals from diverse fields.

Bringing together global experts, researchers, and industry professionals, ICS-22 serves as a hub for exchanging knowledge, exploring innovative solutions, and addressing contemporary healthcare challenges. With its focus on bridging science and technology, ICS-22 aims to advance Cyclodextrin research to enhance next-generation pharmaceutical sciences and healthcare systems.

Call for Papers & Awards

Categories for Abstract Submission in Oral or Poster Presentation (choose any one)

Category-1: Cyclodextrin-Based Drug Delivery and Applications

Category-2: Pharmacology & Drug Discovery

Category-3: Pharmaceutics & Industrial Pharmacy

Category-4: Quality Assurance & Drug Regulatory Affairs

Category-5: Nanotechnology & Translational Research

Category-6: Medicinal & Organic Chemistry

Category-7: Analytical Techniques & Sensor Technology

Category-8: Biotechnology & Life Sciences

Category-9: Clinical Pharmacy, Pharmacovigilance & Pharmacy Practice (PharmD)

Category-10: Pharmacognosy & Phytopharmaceuticals

Category-11: Advancement in Pharmaceutical Education (NEP-2020)

Category-12: AI-integrated Innovations, Bio-Medical Devices & Startups

Awards

Total Scientific Awards: 432 (in 12 Categories*)

- Oral Presentation (Faculty / Research Scholars)

- Oral Presentation (UG & PG Students)

- Oral Presentation (Online - Faculty / Research Scholars)

- Oral Presentation (Online - UG & PG Students)

- Poster Presentation (Faculty / Research Scholars)

- Poster Presentation (UG & PG Students)

***First, Second, Third and Three Consolation Awards in Each Category**

Registration Fee

Registration Indian Delegates

Category	Early Bird upto 31st July 2026 (INR)	1st August to 31st August 2026 (INR)	1st September to 30th September 2026 (INR)	On-Spot Registration (INR)
Students	2500	3000	3500	4000
Faculty	3000	3500	4000	4500
Industry	4500	5000	7000	8000
Accompanying Person	2000	2000	2000	2000

Submission Guidelines

Guidelines for Preparation of Abstract for Oral/Poster Presentations

1. The abstract must be written in good English and provide an informative summary of the research work.
2. **Font types:** Times New Roman
3. **Font size:**

   Title: 12 font, bold
   Affiliations: 12 font
   Main body of text: 12 font
   List of authors: 12 font
   Presenting author's email: 12 font
   Key Words: 12 font (Not more than six)
4. The overall word count of the abstract should not exceed 250 words.
5. **Abstract body:** The abstract shall comprise an introduction, aim & objectives, methods, results, summary, conclusion, and keywords as per the given template.
6. Abbreviations or acronyms, except units of measurement and those that are widely used or known, should be defined at first mention.
7. **Originality, plagiarism, ethical approval, copyright:** It is the responsibility of the authors to ensure originality of the research, as well as the abstract and posters.
8. It is also the responsibility of the authors to ensure appropriate ethical/regulatory approval is taken wherever applicable for the images/data/research material which is presented in this conference.
9. Any clarifications regarding abstract submission should be sent to **ics22scientific@isfcp.org** with the subject of the mail.

Note: Acceptance or rejection of the submitted abstract will be intimated to the authors in time.

For scientific enquiries, please get in touch with the scientific committee at ics22scientific@isfcp.org

Poster Presentation Guidelines

Participants presenting posters at the **22nd International Cyclodextrin Symposium (ICS-22)** should adhere to the following guidelines:

General Information

1. Each selected poster will be assigned a unique number. The organizing committee will notify participants of the scheduled date, time, and venue for their poster presentation.
2. Font- Times New Roman
3. Font Size- Title- 60 points Bold and CAPITALS,
   - 45 Points for Author's name
   - 35 Points for Affiliations
   - 30 points bold for headings & subheadings
   - 20-26 points normal font type for running text
4. The preferred background shall be white, font color must be black only and no color font shall be used
5. **Poster Size** 3 feet width × 4 Feet Height (90 cm width × 120 cm height).

   Posters larger than this cannot be accommodated
6. Presenters must prepare and print their posters using the official ICS-22 template. The template can be downloaded from the provided link.

Poster Content Requirements

- Abstract Track ID: Ensure that your poster prominently displays the unique abstract track ID provided during submission.
- Author Details: Include the names and affiliations of all authors, with the presenting author's name underlined.
- Structured Format: Organize the content into the following sections:

  Introduction
  - Aim & Objectives
  - Methods
  - Results
  - Discussion/Conclusion
  - Acknowledgement

- Readability: Posters should be legible from a distance of 2-3 meters.
- High-Resolution Images: Use images of sufficient resolution for clarity and visual impact.

Poster Setup and Display

- Posters must be placed on the designated poster board 15 minutes before the assigned time slot.
- Acceptable materials for the poster include paper, canvas, or flex.
- Graphs and figures should also be clearly visible from a distance of 2-3 meters.

Poster Session Guidelines

1. The organizing committee will communicate the specific date and time of the poster session.
2. All authors are required to be present at their poster during the assigned session.
3. Presenters must wear the official conference badge while presenting.

Click here to download the template for an oral presentation:

https://docs.google.com/presentation/d/11H49SzTXODsl8V-qPl9pjvVI_tAjai2I/edit?usp=sharing&ouid=116734468237622204380&rtpof=true&sd=true

Oral Presentation Guidelines

Participants presenting oral papers at the **22nd International Cyclodextrin Symposium (ICS-22)** are requested to follow these guidelines to ensure a smooth and impactful presentation:

Allocated Time

- Each presentation is allotted a total of 10 minutes, divided as follows:
  - 8 minutes for the presentation.
  - 2 minutes for the Q&A session with the audience.

Slide Specifications

- The slides should be prepared in a 16:9 aspect ratio for optimal display.
- An official ICS-22 template is available for download and must be used for slide preparation.

Time Management

- Ensure that the number of slides and the content align with the allocated time.
- Focus on delivering concise, well-structured, and impactful key points to communicate your research effectively.

Technical Setup

- Verify the compatibility of your slides with the provided conference system in advance.
- Arrive at the presentation venue at least 15 minutes early to test your slides and equipment to avoid technical issues.

Interaction

- Be prepared to respond clearly and concisely to audience questions during the Q&A session.
- Engage actively with the audience to enhance the impact of your presentation.

We wish you a successful and enriching presentation at ICS-22. For additional support, including downloading the official slide template or application format, please refer to the event website or contact the organizing committee.

Click here to download the template for an oral presentation:

https://docs.google.com/presentation/d/13HTJP1GfvjFcsG6v8N9N0WEE66b7jhas/edit?usp=sharing&ouid=116734468237622204380&rtpof=true&sd=true

Note: The above guidelines are applicable for online oral presentations

Sponsorship

Sponsorship Opportunities at ICS-22

The 22nd International Cyclodextrin Symposium (ICS-22), hosted by ISF College of Pharmacy, Moga, Punjab, India, presents a unique opportunity for organizations to showcase their products, services, and innovations to a global audience of over 3,000+ researchers, academicians, industry experts, and students. This prestigious event, with the central theme "Transforming Cyclodextrin Research with Emerging AI-Enabled Technologies, Modeling, and QbD: Bridging Innovation & Collaboration for Next-Gen Healthcare", will attract participants from leading institutions, industries, and regulatory bodies worldwide.

As a sponsor, you will have the chance to:

- **Collaborate:** Engage with a diverse global community, including scientists, academicians, industry professionals, and students, by fostering meaningful connections and collaborations.
- **Innovate:** Showcase your latest products, technologies, and methodologies, and introduce cutting-edge innovations in pharmaceutical sciences and allied fields.
- **Discover:** Be part of a transformative journey, contributing to advancements in cyclodextrin research and exploring its applications in pharmaceuticals, nanotechnology, AI, and sustainable practices.

Why Sponsor ICS-22:

- **Unmatched Brand Visibility:** Gain exposure to a highly targeted audience of global leaders and decision-makers in pharmaceutical sciences and cyclodextrin technology.
- **Networking Opportunities:** Connect with industry leaders, academic pioneers, and young researchers, expanding your reach and influence within the cyclodextrin and pharmaceutical sectors.
- **Customized Engagement:** Tailor your sponsorship to align with your goals through exhibition booths, sponsored sessions, and interactive workshops.
- **Recognition and Promotion:** Receive acknowledgement across all event promotions, including the conference website, program guide, signage, and social media campaigns.

Sponsorship Benefits Include:

- Company name and logo on the conference website, promotional materials, and event backdrops.
- Dedicated exhibition space to interact with attendees and showcase your products.
- Recognition in all pre- and post-conference marketing activities.
- Opportunities to host sponsored sessions, workshops, or product demonstrations.
- Complimentary conference passes and networking opportunities with global experts.

Who Should Sponsor:

- Pharmaceutical companies and manufacturers
- Biotechnology firms and startups
- Contract Research Organizations (CROs)
- Quality assurance and quality control providers
- AI and technology solution providers
- Research and development organizations
- Publishers and educational services

Be Part of a Global Movement

By sponsoring ICS-22, you will join a transformative platform dedicated to driving innovation, sustainability, and collaboration in pharmaceutical sciences. This is your chance to position your brand at the forefront of cyclodextrin research and emerging technologies while contributing to the growth of this rapidly evolving field.

We invite you to partner with us at ICS-22 and make an impact on the future of healthcare, pharmaceutical innovation, and global collaboration.

For sponsorship inquiries, please contact:

Nearby Sightseeing

Moga to Chandigarh 150 km (2.5 hr)

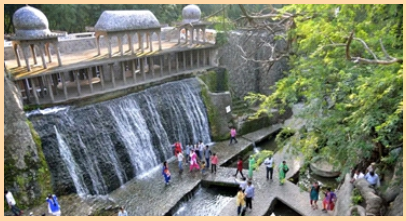
Local Sightseeing Options Around Chandigarh

Chandigarh, known as The City Beautiful, is a well-planned city with a perfect blend of modern architecture and natural beauty. It also serves as a gateway to several stunning attractions nearby.

1. Sukhna Lake

- Description: A serene man-made lake at the foothills of the Shivalik Hills, perfect for boating, jogging, or just relaxing by the water.
- Key Highlights: Boating, walking trails, sunrise/sunset views, and migratory bird watching (seasonal).
- Distance: Located within Chandigarh city.

2. Rock Garden



- Description: A unique open-air exhibition of art created from industrial and household waste, designed by Nek Chand.
- Key Highlights: Intricate sculptures, waterfalls, and maze-like pathways.
- Distance: Located in Sector 1, Chandigarh.

3. Zakir Hussain Rose Garden

- Description: Spread over 30 acres, this massive garden houses over 1,600 species of roses and other plants.
- Key Highlights: Perfect for nature lovers and photographers.
- Distance: Located in Sector 16, Chandigarh.

4. Capitol Complex

- Description: A UNESCO World Heritage Site, designed by the famous architect Le Corbusier. It includes the Secretariat, High Court, and Legislative Assembly buildings.
- Key Highlights: Guided architectural tours available.
- Distance: Located in Sector 1, Chandigarh.

5. Pinjore Gardens

- Description: Also known as Yadavindra Gardens, this historic Mughal-style terraced garden is a great spot for a relaxing picnic.
- Key Highlights: Beautiful fountains, flower beds, and evening light shows.
- Distance: Approximately 22 km from Chandigarh (in Pinjore).

6. Morni Hills

- Description: A peaceful hill station near Chandigarh, offering breathtaking views and opportunities for trekking, birdwatching, and adventure activities.
- Key Highlights: Tikkar Taal (two lakes), forest trails, and eco-tourism activities.
- Distance: Approximately 45 km from Chandigarh.

7. Chhatbir Zoo

- Description: A zoological park housing a wide variety of animals, including tigers, lions, and countless bird species.
- Key Highlights: Lion safari and family-friendly atmosphere.
- Distance: Approximately 17 km from Chandigarh (in Zirakpur).

8. Timber Trail, Parwanoo

- Description: A scenic hill getaway offering cable car rides over lush valleys and great views of the Shivalik range.
- Key Highlights: Cable car rides and hilltop dining.
- Distance: Approximately 35 km from Chandigarh.

9. Kasauli

- Description: A quaint hill station known for its colonial charm, lush greenery, and pleasant weather.
- Key Highlights: Gilbert Trail, Monkey Point, and Christ Church.
- Distance: Approximately 60 km from Chandigarh.

Suggested Itineraries for Visitors

- Half-Day Tour: Rock Garden → Sukhna Lake → Rose Garden
- Full-Day Tour: Pinjore Gardens → Morni Hills OR Timber Trail → Nada Sahib Gurudwara
- Weekend Getaway: Kasauli → Parwanoo → Chhatbir Zoo

Moga to Amritsar 110 km (2.0 hr)

Local Sightseeing Options Around Amritsar, Punjab, India

Amritsar, the spiritual and cultural hub of Punjab, is a historic city renowned for its religious significance, vibrant culture, and remarkable history. Visitors to Amritsar will find plenty of iconic attractions to explore within the city and its nearby areas

1. Golden Temple (Sri Harmandir Sahib)

- Description: The most iconic landmark of Amritsar and a sacred Sikh shrine. Known for its stunning golden architecture and the spiritual peace it offers.
- Key Highlights: The holy Sarovar (water tank), Langar (community kitchen serving free meals), and mesmerizing night view of the illuminated temple.
- Distance: Located in the heart of Amritsar city.

2. Jallianwala Bagh

- Description: A historic public garden commemorating the tragic massacre of unarmed Indians by British forces in 1919.
- Key Highlights: Memorial monument, bullet marks preserved on walls, and an eternal flame of remembrance.
- Distance: 400 meters from the Golden Temple.

3. Partition Museum

- Description: A museum dedicated to the partition of India and Pakistan in 1947, showcasing personal stories, artifacts, and historical exhibits.
- Key Highlights: Emotional narratives, old photographs, and multimedia presentations about the partition.
- Distance: 600 meters from the Golden Temple.

4. Wagah Border (Attari Border)

- Description: The Wagah Border ceremony is a daily military practice conducted by Indian and Pakistani soldiers with great energy and patriotic fervor.
- Key Highlights: Beating Retreat Ceremony and enthusiastic crowds cheering for their country.
- Timings: The ceremony usually starts around 4:15 PM in winter and 5:15 PM in summer.
- Distance: Approximately 30 km from Amritsar.

5. Durgiana Temple

- Description: A prominent Hindu temple dedicated to Goddess Durga, resembling the architecture of the Golden Temple.
- Key Highlights: Sacred water tank, intricately carved silver doors, and serene atmosphere.
- Distance: 1.5 km from the Golden Temple.

6. Gobindgarh Fort

- Description: A historic fort that has been transformed into a cultural hub. It showcases Punjab's history, culture, and heritage through exhibitions and light-and-sound shows.
- Key Highlights: 7D shows, museum exhibits, cultural performances, and food stalls offering Punjabi delicacies.
- Distance: 2.5 km from the Golden Temple.

7. Maharaja Ranjit Singh Museum

- Description: This museum is dedicated to the life and contributions of Maharaja Ranjit Singh, the Lion of Punjab.
- Key Highlights: Historical artifacts, paintings, and a glimpse into the Sikh Empire.
- Distance: 4 km from the Golden Temple.

8. Ram Tirath Temple

- Description: A temple of great mythological importance, believed to be the birthplace of Lav and Kush, the sons of Lord Rama.
- Key Highlights: Sacred pond, ancient history, and impressive architecture.
- Distance: Approximately 11 km from Amritsar.

9. Pul Kanjri

- Description: A historic site built by Maharaja Ranjit Singh, this UNESCO-recognized heritage site served as a resting place for the Maharaja and his troops.
- Key Highlights: Ancient architecture, cultural history, and proximity to the Indo-Pak border.
- Distance: Approximately 35 km from Amritsar.

10. Harike Wetland and Bird Sanctuary

- Description: A serene wetland located near Amritsar, home to many migratory birds and a haven for nature lovers.
- Key Highlights: Birdwatching, photography, and peaceful natural surroundings.
- Distance: Approximately 65 km from Amritsar.

11. Sadda Pind, Amritsar

- Description: Sadda Pind is a beautifully recreated Punjabi village offering an immersive cultural experience with traditional food, art, music, and crafts.
- Key Highlights: Enjoy live folk performances, traditional Punjabi cuisine, vibrant handicrafts, and interactive cultural activities.
- Distance: Located approximately 8 km from Amritsar city center.

Suggested Itineraries for Participants

Half-Day Tours

- **Option 1:** Golden Temple → Jallianwala Bagh → Partition Museum
- **Option 2:** Gobindgarh Fort → Maharaja Ranjit Singh Museum → Durgiana Temple

Full-Day Tour

- **Option 1:** Golden Temple → Jallianwala Bagh → Wagah Border
- **Option 2:** Gobindgarh Fort → Ram Tirath Temple → Wagah Border

Weekend Getaway

- **Option:** Amritsar (Golden Temple, Jallianwala Bagh) → Pul Kanjri → Harike Wetland

Why Amritsar?

Amritsar offers a balanced mix of spiritual, historical, and cultural experiences. From the peaceful Golden Temple to the electrifying Wagah Border ceremony, your conference participants will have an unforgettable time exploring the city's attractions.
